

Tribal Cultural Resource Protection in California - Theory & Practice LAW X 490.05 - 360481

For the Native Youth Track Only - Leaders

Module 2- Week 2 Questions:

1. What is a tribal cultural landscape? (Chapter 2)
2. How is a “tribal cultural landscape” different from a traditional cultural property? (Chapter 2)
3. How may indigenous ways of knowing about the environment differ from non-native or industrialized society’s ways of characterizing the environment? (Chapter 3)
4. What types of information may be considered culturally sensitive? Why? (Chapter 3)
5. Of the strategies listed in Chapter 4 (beginning on page 11), which do you think would be the most effective in improving the tribal consultation process?
